# What is the current landscape of CSOs engagement in Health Financing?

## ► At the global and regional level

- Global Civil Society Coordinating Group for the GFF – Health Financing Working Group
- Global Action Plan for SDG3 CSOs Advisory Group (Sustainable Financing for Health and Civil Society Engagement Accelerators)
- FP2020 Accountability Advisory Group (advocating for the inclusion of DRM in country recommitment process)
- PMNCH CSOs Constituency
- UHC2030 CSOs Engagement Mechanism
- GAVI CSOs Constituency
- Global Fund Advocates Network
- Community of Practitioners on Accountability and Social action in Health
- Africa Health Budget Network (COVID19 Finances Accountability in Africa)

# What is the current landscape of CSOs engagement in Health Financing?

## ► At country level

- Country National Multi-Stakeholder Partnership Coordination Platforms
- National Legislative Assemblies Budget Oversight Committees
- Ministries of Finance Budget Performance Mechanisms
- Country coalitions of CSOs on Health Finances

## What are the Barriers and challenges?

- Inadequate capacity of CSOs and advocates on budget analysis, advocacy, and tracking
- Dwindling financial resources to regional and country-level CSOs for country budget advocacy
- Weak countries' structures of government engagement with CSOs on budget
- Weak mentoring support of country CSOs by global and regional CSOs
- Weak feedback mechanisms and opportunity for peer leaning and exchange among regional and country CSOs

## Opportunities - Examples of meaningful CSO participation in Health Financing

- The Joint learning Agenda being launched today
- PMNCH's 24 month planned advocacy campaign from January 2021
- FP2030 Partnership Transition Oversight Group
- Global Civil Society Coordinating Group for the GFF
  - Health Financing Working Group (on-going support)

Liberia - inequitable county-level funding; makes a case for improved sub-national allocation - monitoring equitable financing

County budget per capita X Neonatal and Maternal Mortality

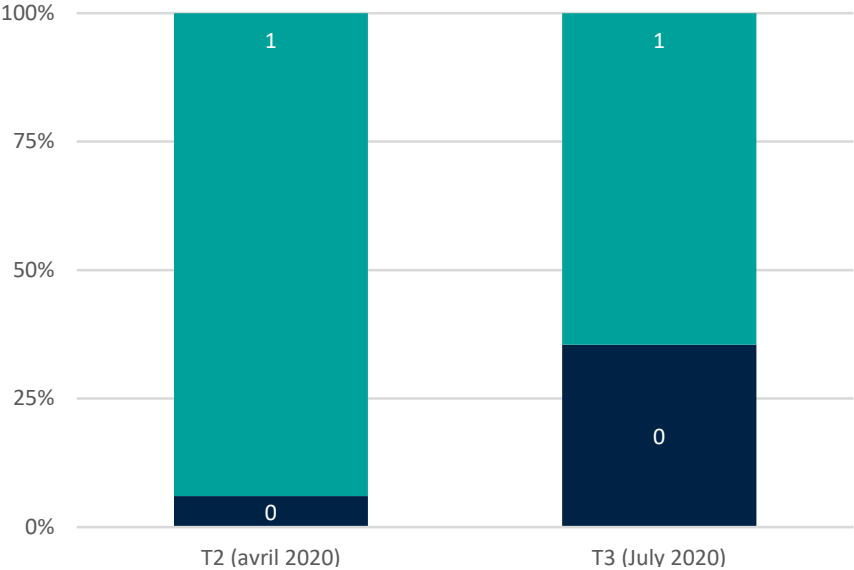

# DRC – Re-allocation from donors to component 1 needed – another example on how RMET helps monitoring allocative efficiency

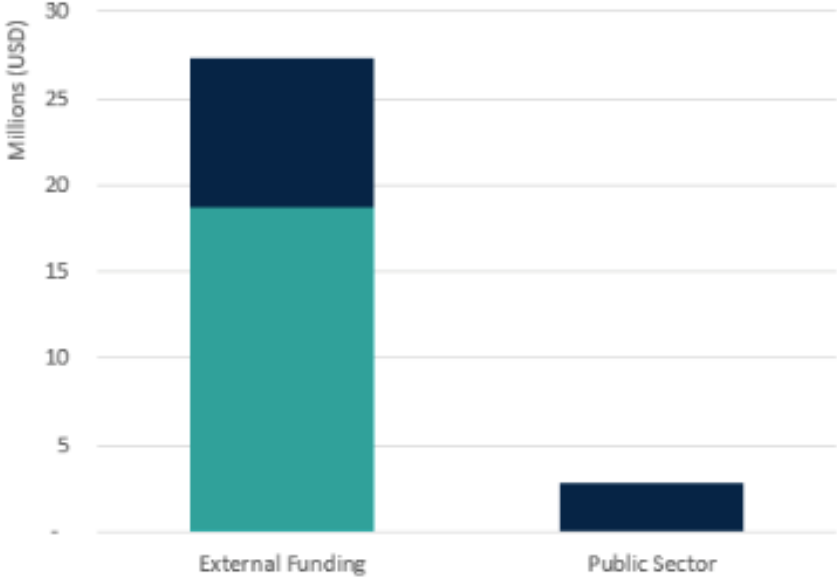

Given in USD Million \*This correspond to tuberculosis, HIV/AIDS and Malaria

# GFF helps countries generating data to assess whether funding flow witnesses de-prioritization of essential health services

### DRC: Total funding of C-19 Response by source (reprogramming vs new)

### Niger: External and Government funding of C-19 Response by source (reprogramming vs new)

■ New funding    ■ Re-allocation from existing health programs to C-19

## Group discussions/ Discussion en groupe

- What support would you need to prepare and implement an advocacy and accountability plan?
- What do you hope to be the new reality for CSO engagement in HF in 2 years and how can this programme help to achieve that?
- *De quel soutien auriez-vous besoin pour préparer et mettre en œuvre un plan de sensibilisation et de redevabilité ?*
- *Quelle nouvelle réalité espérez-vous pour l'engagement des OSC dans le FS dans deux ans et comment ce programme peut-il aider à y parvenir ?*
