

THE GFF PARTNERSHIP HUMAN RESOURCES FOR HEALTH AGENDA

Investors Group Meeting
June 6-7 2022

Summary of Findings

- Coverage, skills, and coordination of health and care workers in GFF-eligible countries are **insufficient** to achieve global health goals
- By leveraging existing mechanisms, GFF partnership will **align** HRH strengthening efforts through health financing, data systems, and reforms
- In addition, GFF can **prioritize** specific health workforce management and optimization issues critical to the partnership's mandate

GFF HRH Agenda

Align HRH issues within HSS investments, GFF mechanisms & country platforms

Harness the partnership's multisectoral convening power, expertise & commitment to HRH

Strengthen HRH through more efficient, strategic systemwide approaches

Address root causes of HRH bottlenecks, donor dependence, fragmentation

Deliver a "triple return": health outcomes, global health security & economic growth

More diverse, equitable, integrated, optimized responsive health & care workforce to deliver PHC & PPR

- **Evidence-based, costed national HRH strategies**
- **Sustainable financing & scalable models**
- **HRH wellbeing & health equity**

Prioritize HRH issues central to GFF's mandate

GFF HRH Agenda: Proposed Actions

Align HRH issues within HSS investments, GFF mechanisms & country platforms

1. Center HRH within health financing & expenditure reviews
2. Improve HRH data quality, visibility & analytics
3. Integrate HRH in health policy, governance, private sector engagement & regulation

Prioritize HRH issues central to GFF's mandate

4. Protect and safeguard health and care workers, especially for PPR & in conflict-affected & fragile settings
5. Develop, retain, and sustain the community health workforce
6. Scale effective health workforce training and skills development for essential health services, RMNCAH-N & PPR
