

TRUST FUND GOVERNANCE DOCUMENT FOR THE GLOBAL FINANCING FACILITY FOR WOMEN, CHILDREN AND ADOLESCENTS

Adopted on February 4, 2019

1. THE GFF TRUST FUND COMMITTEE

The Trust Fund Committee's purpose is to facilitate coordination and collaboration among donors (Donors) to the GFF Trust Fund (defined as one or more trust funds dedicated to the GFF and administered by the Bank) and the Bank in supporting mobilization and use of resources catalytically and sustainably to achieve optimal impact.

The GFF Trust Fund is managed and administered by the Bank under the terms of administration agreements and arrangements entered into by the Bank and each Donor, which incorporate this Trust Fund Governance Document

The Trust Fund Committee draws advice from the GFF Investors Group, which comes together regularly at the global level to discuss progress and how to strengthen collaboration. The GFF Investors Group operates under the terms of its applicable governance document.

1.1 Composition

The Trust Fund Committee comprises representatives of the Bank, including as Chair, and representation from Donors. All Donors have representation on the Trust Fund Committee, whether direct or through constituencies, except under subparagraph (c) below. The Secretariat will keep track of Trust Fund Committee membership.

(a) Direct Representation

Each Donor making a commitment by way of entering into legal agreement(s) with the Bank to contribute to the GFF Trust Fund will have a dedicated decision making seat (direct representation) on the Trust Fund Committee for the period indicated below:

- (i) One year after commitments reach an aggregate amount of USD 30 million.
- (ii) An additional year each time commitments reach an added aggregate amount of USD 20 million.
- (iii) For the duration of the Trust Fund Committee after commitments reach an aggregate amount of USD 200 million.

Direct representation on the Trust Fund Committee commences on the Trust Fund Committee meeting that follows the execution of the relevant legal agreement. The date of the Trust Fund Committee when direct representation commences will be communicated by the Secretariat to the Donor. Notwithstanding the above, a Donor who had direct representation prior to the effectiveness of this Trust Fund Governance Document may keep its direct representation until at least June 30, 2022.

(b) Constituency Representation

Any donor without direct representation under subparagraph (a) above may be represented through a constituency as follows:

- (i) Through a Donor that has direct representation; provided that the Donor having direct representation agrees to such representation;
- (ii) With other Donors without direct representation, all of which collectively will have one seat.

Any constituency is entitled to one decision making seat on the Trust Fund Committee. Donors in the constituencies will agree on the arrangements for their representation and the Secretariat can facilitate such arrangement, as necessary.

(c) No Representation

Notwithstanding the above, for-profit private sector Donors will have no representation on the Trust Fund Committee, including with respect to Section 3.1 below, unless requested by that Donor and agreed by the Trust Fund Committee.
